Question 16 解析

For question number 16, please look at the floor information.

W: Welcome back. How was your vacation?

M: It was wonderful. The food was delicious, and we stayed at the hotel you recommended.

W: Glad to hear that. Did you stay on a higher floor?

M: I was hoping to, but the rooms on the upper floors were booked.

W: That's a shame. The view would have been great.

M: At least our room was only one floor up from the restaurant. We walked downstairs to have breakfast instead of taking the elevator.
