

「全民英檢」中級作文批改範例

除了實體書店、網路書店之外，越來越多人逛書展（book fair）瀏覽或選購自己喜歡的書籍。請寫一篇文章

- (1) 說明書展的好處；
- (2) 你最喜歡看哪一類的書籍，並說明理由。

寫作內容：

Recently, (用字不當；修改為 These days) **there are** (刪除 there are) many people like to visit **the** (冠詞錯誤；刪除 the) book fairs. One reason is that there is a variety **types** (用字不當；刪除 types) of books to **look for**. (用字不當；choose from) **Such** (應加逗點與前句連接：, such) as novels, children's books **and** (標點符號錯誤；, and) textbooks. **From** (介系詞錯誤；Among) them, I enjoy reading historical novels the most. **Because** (應與前句連接；I enjoy...the most because...) they give information about the past events. **For another reason**, (此處建議用 In addition,...帶出第二個好處) I can **find out** (用字不當；find) the **latest** (用字甚佳!) books **in** (介系詞錯誤；at) book fairs. For me, it is exciting to see **what are many people interested in**. (改為 what many people are interested in) **Last reason**, (轉折語錯誤；可用 Furthermore,...帶出) I can purchase novels **cheaper** (用字不當；at cheaper prices) there than in a bookstore. **As** (此句開始到文章結尾回答題目的第二個重點，建議分段，讓組織更清楚) **a student like me. I can't** (去掉 I，改為 A student like me can't...) **afford all book** (冠詞錯誤；單複數錯誤；all the books) I want because I don't have a job. Therefore, if **you** (前句講 I，這句也保持 I 的人稱) want to buy **books cheaper**, (詞序錯誤；cheaper books) **it** (it 語意不明，改成 a book fair) is the best place for **you** (me) to go to. In conclusion, book fairs really **have a lot of advantages for us**. (改成 have a lot to offer 較道地)
