The concordance tables are based on GEPT data and the results from the GEPT-CEFR alignment research projects. Any further changes to the information in these tables will be announced on the GEPT website.
- CEFR(Common European Framework of Reference for Languages: Learning, Teaching, Assessment, 歐洲語言學習、教學、評量共同參考架構)為通行國際的語言能力分級參考標準。教育部於 2005 年公告，國內各英語檢定測驗提供分數參照 CEFR，作為衡酌語言能力及測驗需求之參考運用。
The Common European Framework of Reference for Languages: Learning, Teaching, Assessment (CEFR) is an international reference framework for language proficiency standards. The Ministry of Education in Taiwan adopted the CEFR in 2005 and required all English proficiency testing agencies in Taiwan to provide score reference mapping onto the CEFR, enabling stakeholders to use the common platform for comparisons of scores from different tests.
